DATE: April 21, 2011

SUBJECT: **Continuing Education – May 2011**

During the month of May, Dr. Lindstrom will once again review protocols and documentation on select patient care reports. This will also give LCEMS paramedics a great opportunity for open discussion with the Medical Director on EMS related issues.

In addition to medical chart review, protocol updates will be reviewed at each of the classes in May. A 30-question protocol test has been prepared, and will be administered during the classroom period. I ask that you review the following area(s) of the LCEMS protocols to help better prepare you for the examination:

- Tab 500: Medical Procedures and Equipment
- Tab 800: Cardiac Protocols
- Tab 900: Medical Emergencies
- Tab 1100: Pediatric Protocols

I look forward to seeing you in the coming month. If you have any questions or comments please feel free to contact me thru e-mail or by phone.
