TO: ALL LUCAS COUNTY PARAMEDICS

FROM: Jonathon Ziehr, NREMT-P
Lucas County EMS Continuing Education Program Administrator

RE: Continuing Education October 2012

I hope this letter finds all of you well and you have been able to take time and enjoy the beautiful fall season that we have each year in Northwest Ohio.

During the month of October, we will begin to present some of the new topic material contained in the updated Paramedic National Standard Curriculum adopted by the State of Ohio. We will begin by reviewing The Morgan medi-FLOW Lens and Chest Tube monitoring during transport. Additionally, skill stations will be designed to address specific paramedic skill sets that are in constant need of review and discussion.

I look forward to seeing you in the coming month. Please let me know if you have any questions or comments. I can be reached at 419-213-6570.
