SUBJECT: **Continuing Education – January 2013**

It is hard to believe the New Year is upon us! In January 2013 we will again revisit ***Pediatric / Obstetrical Emergencies*** in an effort to maintain the required CE hours for the State of Ohio as well as National Registry. During lecture within the month, we will review ***Pediatric Abuse/Neglect and Pediatric Medical Emergencies***. Once again, the last half of each class will be dedicated to skill scenario review. There will be four (4) skill stations geared towards team assessment and performance.

In preparation for January classes, I ask that you please take time to review the following LCEMS protocols:

- **Tab 900:**
 - Section N – Gynecological / Obstetrical Emergency
- **Tab 1000:**
 - Section A – Trauma Triage / Trauma Diversion
- **Tab 1100:**
 - Section D – Pediatric Altered Mental Status
 - Section R – Pediatric Respiratory Distress
 - Section Q – Pediatric Pulseless Arrest
 - Section U – Pediatric Traumatic Arrest

As a reminder, the continuing education schedule for 2013 has been posted to the LCEMS website for your review. Please make note of the dates and times of scheduled classes throughout the year.

I look forward to seeing all of you in the coming New Year! If you have any questions or comments please feel free to contact me.
