During the month of April we will review **Respiratory Emergencies**. April CE will consist of a lecture up front using our electronic gaming piece (back by popular demand) followed by multiple interactive skill stations lead by one of our Lucas County EMS Instructors.

In preparation for April CE, I ask that you take time to review the following protocols:

- **Tab 900;U Respiratory Distress**
- **Tab 900;B Airway, Adult**
- **Tab 900;C Airway, Adult-Failed**

I look forward to seeing you in the coming month. If you have any questions or comments please feel free to contact me.
