**SUBJECT:** **Continuing Education – May 2016**

---

During the month of May, Dr. Lindstrom will be available at each of the class offerings to discuss protocol-related topics that have been submitted over the last few months. This will also give LCEMS paramedics a great opportunity for open discussion with the Medical Director on any EMS related issues.

In addition, medical/trauma skill scenarios will round out the remainder of each class during the month. I look forward to seeing you in the coming month. If you have any questions or comments please feel free to contact me thru e-mail or by phone.
