TO: ALL LUCAS COUNTY PARAMEDICS

FROM: Jonathon Ziehr, NREMT-P
Lucas County EMS Continuing Education Program Administrator

DATE: October 20, 2016

SUBJECT: **Continuing Education – November 2016**

In an effort to address continued requests from the field, the majority of November continuing education will encompass **12-Lead ECG**. We will begin by going “back to the basics” and round out the training with in-depth reviews of actual STEMI cases from our system. We will also introduce an all new interface between CAD and ZOLL ePCR to allow for dispatch information to automatically transfer.

I look forward to seeing you in the coming month. If you have any questions or comments please feel free to contact me.
