Greetings! I hope the start of 2017 has treated each of you well. We are currently preparing your continuing education for February 2017 which will encompass **Pediatric Emergencies**. This class will be presented using a mixture of lecture and hands-on scenarios.

In preparation for February CE I ask that you take time to review the following protocols:

I look forward to seeing you in the coming month. If you have any questions or comments please feel free to contact Brent, Aislinn or myself.
