August 22, 2012

Dear Lucas County Officials:

The following pages include a proposal and an overview of **ALL PRO SECURITY SERVICES**. As you will see we have extensive experience covering a diverse range of clients which makes well suited to serve Lucas County's needs.

Recognizing the unique environment of the public institutions, our philosophy is to provide a secure environment based on established protocol. As an organization we have six core fundamentals for new assignments which drive our customer satisfaction and, ultimately, differentiates our company from the rest. These fundamentals are listed below and elaborated upon in the attached presentation.

**Core Fundamentals**

- 5 Step Start-Up Process
- Quality Control and Electronic Verification
- Weekly Dialogue With Customer Management Representatives
- Quarterly Performance Report Card
- Personnel Qualification Process
- Training Process

We earnestly hope this provides you with a comprehensive understanding of our security services and experience. Our **commitment to public safety and loss prevention** is only rivaled by our **commitment to customer satisfaction**. We also want you to be aware we provide the same excellent security guard services in the following states: Florida, Georgia, Illinois, Indiana, Michigan, Ohio, Texas and Virginia.

We welcome this opportunity to service Lucas County's security needs. Please contact us if we may be of further assistance.

Sincerely,

Chris McCarthy  
CEO/President  
248-703-7677

Martin Jeakle  
Vice President  
248-895-5002
