Prevailing wage does apply:

Ohio's prevailing wage laws apply to all public improvements financed in whole or in part by public funds when the total overall project cost is fairly estimated to be more than \$69,853.00 for new construction or \$20,955.00 for reconstruction, enlargement, alteration, repair, remodeling, renovation, or painting.

All contractors and subcontractors performing any work on any project that meets the above requirements are responsible for paying prevailing wage rates to their workers. Prime contractors are solely responsible for informing their subcontractors of these requirements.
