NOTICE: This form must be *received or postmarked* by the 30th day before an election at which you intend to vote. You will be notified by your county board of elections of the location where you vote. If you do not receive a notice following timely submission of this form, please contact your county board of elections.

Numbers 1 and 2 below are required by law. You *must* answer **both** of the questions for your registration to be processed.

Registering in Person

If you have a current valid Ohio driver's license, you must provide that number on line 10. If you do not have an Ohio driver's license, you must provide the *last four digits* of your Social Security number on line 10. If you have neither, please write "None."

Registering by Mail

If you register by mail and do **not** provide either a current Ohio driver's license number or the last four digits of your Social Security number, please enclose with your application **a copy** of one of the following forms of identification that shows your name and current address:

Current valid photo identification card, military identification, or current (within one year) utility bill, bank statement, paycheck, government check or government document (except board of elections notifications) showing your name and current address.

Residency Requirements

Your voting residence is the location that you consider to be a permanent, not a temporary, residence. Your voting residence is the place in which your habitation is fixed and to which, whenever you are absent, you intend to return. If you do not have a fixed place of habitation, but you are a consistent or regular inhabitant of a shelter or other location to which you intend to return, you may use that shelter or other location as your residence for purposes of registering to vote. If you have questions about your specific residency circumstances, you may contact your local board of elections for further information.

Your Signature

In the area below the arrow in Box 14, please write your cursive, hand-written signature or make your legal mark, taking care that it does not touch the surrounding lines so when it is digitally imaged by your county board of elections it can effectively be used to identify your signature.

Please see information on back of this form to learn how to obtain an absentee ballot.
