SUBJECT: Increase in Lucas County Fees for Private Developments

This notice is to inform you of a necessary increase in the hourly fees for plat and plan review along with construction inspection for private and public sites. These rate increases are necessary to recoup a **portion** of our salary, fringe benefits and overhead costs of performing these services. We have not raised these fees since 2007. The new rates are as follows:

	<u>AFTER 1/1/17</u>
Plan Review (Engineer)	\$77.35
Plat Review (Surveyor)	\$62.60
Construction & Inspection	\$59.10
2 Man Survey Crew (Monument Checking)	\$92.25

The revised fees will apply on plans starting January 1, 2017. If you should have any questions regarding these fees, please contact Mark Drennen at (419) 213-2851.

Very truly yours,
