Total Request \$ 4,453.50

Business Reason or Justification:

The new equipment, computers and printers, are being purchased for those employees hired through the Probation Incentive grant. As the officers that were hired for the Day Reporting Program spend a majority of their time at CTF running groups, a computer and printer are needed at CTF. This will allow them access to the case management system as well as the opportunity to print referral information. The additional printer will be placed at the Probation Department for their use. Three officers were also hired to conduct the ORAS assessments and are with the Pre-trial/Presentence Department. The additional computer will be provided to this Department so that the assessments can be put into the DRC gateway.
