

Request for Property Investigation

(For any property in Lucas County)

INSTRUCTIONS AND GUIDELINES

Please fill out and return this Request if you would like the Land Bank to investigate the current status of the property and determine if it is an acquisition priority for the Land Bank. The Land Bank acquires vacant, abandoned, and tax-delinquent property throughout Lucas County when there is a path to return that property to productive use.

Whether or not the Land Bank decides to acquire the property identified below, Land Bank staff will follow up with the Requestor and notify that person of our decision. Our Policies & Procedures prohibit the Land Bank from accepting an outright donation of the property from its owner(s) without a proper investigation of the property's title.
