INSTRUCTIONS

1. Section 117.38, of the Revised Code of Ohio, makes it mandatory for the county auditor, as fiscal officer of the Metropolitan Park District to render an annual financial report, for the preceding fiscal year, to the Auditor of State within sixty days after the close of the fiscal year. Any public office whose financial report is not filed at the time required by this section shall pay the Auditor of State \$25.00 for each day the report remains unfiled, provided the penalty payments do not exceed the sum of \$750.00. This section also states that at the time the report is filed with the Auditor of State, the county auditor must publish notice of the completion of the report and the fact that the report is available for public inspection at the office of the fiscal officer in the political subdivision or taxing district and, if there is no such newspaper, then in a newspaper of general circulation in the political subdivision. The report must be either typewritten or the entries made in ink.
2. Prepare three (3) copies of the report, forwarding the original to the Auditor of State, Local Government Services Division no later than sixty (60) days after the close of the fiscal year. Retain the second copy for the county files and retain the third for public review.
3. It is necessary for the fiscal officer to publish a notice in the newspaper upon the completion of the report and the fact that the report is available at the office of the fiscal officer.
4. Do not use red pencil or pen for negative figures, subtotals or totals. Use brackets instead of the minus sign or dash.
5. The amounts appearing in the annual report are to be rounded to the *nearest dollar*.
6. For this report all funds administered by the Olander Park District should be included on the appropriate page, including a separate statement for each federal, state, construction and trust fund, since they are no longer required to be included with the county's annual financial report.

NOTE: Before preparing this report all funds shown on the general ledger should be balanced with the treasurer as of the end of the year and reconciled with the cash on hand and in the depositories, as shown on the Treasurer's Daily Statement (Form 6) for December 31.
