

GREAT AMERICAN CLEANUP

APRIL 15 - MAY 27

What is it?

The Great American Cleanup (GAC) is the country's largest community improvement program that kicks off in more than 20,000+ communities each spring. This national program engages 4 million volunteers who take action in their communities to create positive change and lasting impact.

What makes GAC different this year?

This year's Great American Cleanup theme, — "CLEAN YOUR BLOCK PARTY" — encourages and empowers all volunteers and participants to take what they learn from experiencing a public space Great American Cleanup event and bring it home to organize an event on their own block.

Why should you do it?

The Great American Cleanup is a fun, educational, outdoor, springtime activity. The volunteers know that they really make a difference, and the results are dramatic! The communities look clean and beautiful, and there is a new sense of hometown pride and accomplishment.

How does the cleanup work?
