THIS PERMIT ISSUED BY THE LUCAS COUNTY ENGINEER UNDER AUTHORITY GRANTED BY THE BOARD OF LUCAS COUNTY COMMISSIONERS AND/OR THE BOARD OF TOWNSHIP TRUSTEES.

ADDITIONAL PROVISIONS FOR OVERWIDTH FOR PERMIT NO. 17-016

CONSTRUCTION EQUIPMENT

The original copy of the Special Hauling Permits shall be in the possession of the driver at all times during the progress of transportation and will be shown on demand to any police officer or Ohio State Highway Patrol Employee.

This specialized permit is used for the frequent movement of overwidth construction machinery to and from job sites; the permitted vehicle and load must not exceed twelve (12.0) feet in width and be otherwise legal in accordance with Section 5577.04 through 5577.05 of the *Ohio Revised Code*.

Loads may consist of such equipment as small dozers or backhoes transported on straight trucks, on equipment trailers pulled by trucks, or on semi-trailers hauled by commercial tractor. Field office trailers towed on their own undercarriages may also be included.

This permit is issued to the truck or commercial tractor. When indicated on the application, various trailers may be used.

The permit and any attachments as issued must be carried in the cab of the permitted vehicle during movement.

The permit is good for an unlimited number of moves on the Lucas County or Township system and will be valid for a period of one year. Be alert for overhead obstructions and be aware that posted limits, including those on pavements and bridges, must be obeyed.

Once operating, the permittee is entirely responsible to remain aware of the permit expiration date and assuring that a new permit is ordered in a timely manner. The permittee is also responsible for ensuring that the permit accurately describes the vehicle and load; when it doesn't, the permit is null and void and either a revision or new permit must be ordered.

Warning flags shall be displayed on all over dimensional vehicles and loads. Warning flags shall be 18 inches square, red or orange in color, in good repair and free of printing or other markings and shall be securely fastened by at least one corner or securely mounted on a staff.

Over width vehicles and loads shall bear two flags at the widest extremities of the vehicle or load as well as one flag at each corner of the vehicles or load. Warning flags are not required to be displayed on the tractor.

THIS PERMIT IS VALID FROM 2-1-17 TO 1-31-18
