

Summary of Benefits and Coverage

The benefit plan year for ALL benefits begins March 1, 2022 and continues through February 28, 2023.

The following information is not intended to be a detailed description of benefits; it is for general information purposes only. Please refer to the “Certificate of Coverage” or the “Plan Document” on the Lucas County Employee Benefit website for each respective health care plan if further clarification is needed. In the event of a conflict between this information and the “Certificate of Coverage” or the “Plan Document”, the Certificate/Plan Document shall control.

All non-emergency care in the Paramount Patient Centered Medical Home (PCMH) plan MUST be delivered by network providers. It is the enrollee’s responsibility to use physicians and other medical providers that participate in network.

Effective March 1, 2022, employees will have the option to enroll their spouse primary on their medical plan at a cost not to exceed \$400 per month. Please see New for 2022: Family medical coverage with spouse primary is now available document for more information. We will continue to offer employees a \$25 per month payroll deduction for a single medical plan and a \$50 per month payroll deduction for a family medical plan with a spouse as secondary. Spouses will no longer be eligible for any tax credits or subsidies for plans enrolled in through the Health Insurance Marketplace, per federal law.

Notes:

Paramount Patient Centered Medical Home Plan (PCMH)- This plan pays 90% of all contracted cost of covered services

performed within the Paramount PCMH network. The employee pays 10% of the contracted cost of covered services performed within the network up to a yearly maximum out-of-pocket coinsurance of \$1000 maximum per individual or \$2000 maximum per family. Once you reach the out-of-pocket expense of \$1000 per individual or \$2000 per family, you will not be responsible to pay any more out-of-pocket expenses except for those applicable co-pays. Benefits are not paid for non-emergency elective medical services performed by non-participating network medical providers. The Paramount PCMH Plan requires use of plan providers except for Emergency Medical Conditions or student away at school conditions described below. Enrollees in the PCMH plan must meet with their participating physician, complete a physical exam and enter into a "Paramount PCMH Partnership Agreement " with their physician.

2) Referrals from a PCP to see plan Specialists are NOT required. Limited benefits renew each Contract/ Plan Year.

Paramount Health Care requires use of plan providers except for Emergency Medical Conditions. Limited benefits renew each Contract/ Plan Year.

Paramount's Student Program – Paramount's STUDENT 101 program will cover student care for Emergency, Urgent Care and for follow up services. If your child needs medical care away from home beyond Emergency services, simply contact Paramount's Utilization Management department at (800) 891-2520 and select the option for *Out of Plan and Student referrals* or visit their website at www.paramounthealthcare.com. Appropriate co-pays will apply, along with a 25% coinsurance for any diagnostic/lab services. For Emergency services, **notification to the member's PCP should take place within 72 hours following the visit.** Routine wellness care, such as physical exams must be scheduled with the Member's PCP in the Paramount service area.

Lucas County Plan through FrontPath (OBA)- This Plan pays 80% of the contracted cost of covered services performed within the FrontPath network. The employee pays 20% of the contracted cost of covered services performed within the FrontPath network up to a yearly maximum out-of-pocket coinsurance of \$1500 maximum per individual or \$3000 maximum per family. This means that the employee pays 20% of the contracted cost of covered services and the County pays 80% of the contracted cost of covered services up to the annual maximum(s). Once you reach the out-of-pocket coinsurance expense of \$1500 per individual or \$3000 per family, and you continue to use the FrontPath network, you will not be responsible to pay any more out-of-pocket coinsurance expenses, except for applicable co-pays. For enrollees in this plan who seek services outside of the FrontPath network, the Lucas County Plan will pay 50% up to the Usual Customary and Reasonable amount and the employee will pay 50% up to the Usual Customary and Reasonable amount. The \$1500 per individual and the \$3000 per family out-of-pocket coinsurance maximum(s) do not apply for services provided outside of the FrontPath participating network. Co- payments will continue to apply. Co-payments do not apply to coinsurance out-of-pocket maximums.

Eligible dependents away at school may use the local Urgent Care Center or the College Infirmary for conditions including, but not limited to, colds, flu, ear infections, sprains or strains with the applicable \$10 office visit co-pay. All other non-emergency services and routine care must be performed in-network or the out-of-network charge of 50% will be applicable with no out of pocket maximum.

Treatments that are in progress for employees and dependents who are switching from one health plan to another, need to be coordinated with their new health plan for any dates of service on or after March 1, 2022. Some of the most common treatments needing coordination include, but are not limited to, scheduled surgery, maternity, mental health and substance abuse care. Employees can call Paramount Member Services at 419-887-2525 or toll free at 1-800-462-3589 for questions and assistance. Members enrolled in Lucas County Health Plan through Frontpath may call Ohio Benefit Association (OBA) at 877-622-1966 for questions and assistance.
