 3. Court Appointed Counsel representing indigent parties on civil and delinquency cases, and attorneys appointed as Guardian *ad Litem* on all cases are not required to pay filing fees for any filings they need to make on the matter in which they are appointed.  1. Any party who, by reason of indigency, seeks relief from the payment of a filing fee shall file with the Court a Motion to Waive the Filing Fee and/or Costs with Attached Affidavit, setting forth the facts and providing supporting documentation relied upon, to include employment-related financial information, federal income tax returns, documentation of public assistance, and any other financial information the Court may need. C. Reinstatement of Filing Fees and/or Costs:

1. The Court, on its own motion, at any time, may make further inquiries on the record concerning an indigent party's financial status. If the Judicial Officer determines that the facts or situation no longer supports a finding of indigency and a waiver, suspension, or reduction of a filing fee, the Court may enter an order requiring the filing party to pay any applicable filing fees and instruct the Juvenile Court Clerk accordingly.
2. When a party whose filing fee was waived, suspended, or reduced fails to appear for the initial hearing in the action, and the action is dismissed for that party's failure to appear, the Judicial Officer may order the party to pay the appropriate filing fee if the party re-files the action within one (1) year of the original filing date, or as otherwise may be ordered by the Court.

DEFINITIONS

COURT COSTS: Amounts related to the expenses incident to a cause of action. Court Costs are connected to various specified acts and services performed by the Juvenile Court Clerk and the Court in connection with court procedures. The total amount of court costs in a given case often depends upon the complexity of the procedures involved and the subject matter of the litigation.

FILING FEES: Amount a party must pay to the Juvenile Court Clerk upon filing a cause of action. The filing fee is required when a party files a new complaint or motion, or re-opens a case that has previously been closed. Filing fees are established and required by Ohio law. Please be aware that the filing fee is only the initial payment that must be made at the time a cause of action is filed. If you are an indigent party, you may be eligible, upon proper application with the Court, to defer or waive the payment of the initial filing fee by submitted an application to do so. This application does not waive the \$25.00 Public Defender Application fee.

PLEADING: A formal, usually written, allegation and counter allegation made by the parties in a legal action or proceeding. Typically, but not exclusively, pleadings include Motions, Complaints, Answers and Counter/Crossclaims.

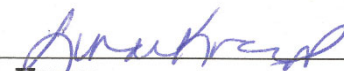

MOTION: A legal application (made verbally or in writing) to a Court or Judge, by a party to an existing case seeking to obtain a ruling, order or direction, that some act or action be done.

COMPLAINT: The initiation of a formal action against a party. A Complaint is similar to a Motion; however, a Complaint is used when there is not an existing case before the Court involving the parties.

ANSWER OR RESPONSIVE PLEADING: A party's written response to a Complaint or Motion.

COUNTERCLAIM OR CROSS-COMPLAINT/MOTION: A party's written or oral response to a Complaint or Motion that includes an application made to a Court or Judge, seeking to obtain a ruling, order or direction, substantially different than that which was requested in the original Complaint or Motion and/or making new allegations against the initiating party.

EMERGENCY, *EX PARTE* AND EXPEDITED: A request by a party that a matter is of such urgency or necessity that an immediate temporary or intermediate order is needed, resulting in a hearing on the Complaint, Motion or other legal matter at the next earliest available time on the Court's docket.
