1.56 **“Separation” or “Separated”**. A determination made by the Plan Administrator in its sole discretion that the Employee-Participant and his Spouse have ceased cohabitation.

1.57 **“Spouse”**.

(A) Except as otherwise provided under Sections 1.56.1 and 1.56.2, herein, an individual who:

- (1) is legally married to an Employee-Participant or Eligible Employee;
and
- (2) is a resident of the United States; and
- (3) legally resides in the United States.

For purposes of this paragraph (A), an individual is treated as a Spouse only if he or she is recognized as a lawful spouse under the laws of the state in which the Participant resides.

(B) A Participant may have only one (1) Spouse at a time.

1.57.1 **Special Rules Regarding Spouses in Common Law Marriages.**

- (A) An individual seeking the status of Spouse through a claim of a common law marriage with an Employee in the state of Ohio on and after October 10, 1991, shall not qualify as a Spouse for purposes of this Plan.

- (B) An individual who has entered into a common law marriage in the state of Ohio with an Employee prior to October 10, 1991, or who has at any time entered into a common law marriage in any other jurisdiction that allows common law marriages, shall qualify as a Spouse; provided
 - (1) Documentation of the common law marriage is submitted to the Plan Administrator; and
 - (2) such Documentation is deemed by the Plan Administrator (in its sole discretion) as satisfactorily substantiating the existence of the common-law marriage; and
 - (3) the common law marriage is recognized as valid by the state of Ohio.

1.57.2 **Special Rule Regarding Domestic Partners.** A same-sex, domestic partner of an Employee, who is not otherwise an Eligible Employee, shall be deemed to be the Employee's Spouse provided the Employee and his domestic partner meet the requirements for domestic partnership as described under Lucas County Board of Commissioners Resolution 09-1266.

1.58 **"Timely Application".** An application for initial participation or continued participation in the Plan:

- (A) made by an Eligible Employee or (in the case of mandatory re-enrollment) Employee-Participant on his own behalf and/or on behalf of his Eligible Dependent(s) or (in the case of mandatory re-enrollment) Dependent-Participants; and
- (B) that is received and approved by the Plan Administrator:
 - (1) within thirty-one (31) days (plus any extensions granted by the Plan Administrator) of the date on which the Eligible Employee and/or his Eligible Dependent(s) met the Plan's participation requirements under Sections 2.01 and/or 2.02, herein; or,
 - (2) within thirty-one (31) days (plus any extensions granted by the Plan Administrator) of the date on which the Eligible Employee and/or his Eligible Dependent(s) lost 'primary' Other Coverage previously selected in lieu of Plan coverage.

- (3) within thirty-one (31) days (plus any extensions granted by the Plan Administrator) of the date on which the Eligible Employee acquired a new Eligible Dependent, or
 - (4) on or before such other date established by the Plan or Plan Administrator (plus any extensions of that date granted by the Plan Administrator) as being the deadline for submitting all materials relating to:
 - (a) an enrollment in the Plan for any reason not listed hereinabove in this Section 1.57; or,
 - (b) a mandatory re-enrollment required by the Plan Administrator.
- (C) In the event the Plan Administrator receives an incomplete application (as determined in its sole discretion) during the thirty-one (31) day period described in Section 1.57(B)(1), (2) and (3) (plus any extensions granted by the Plan Administrator) or before the deadline date (plus any extensions granted by the Plan Administrator) described in Section 1.57(B)(4), the Eligible Employee or Employee-Participant (as applicable) submitting the application shall be contacted by the Plan Administrator (or its designee) and shall be informed of the corrections that must be made or the missing information that must be supplied in order for the application to be deemed complete along with a deadline date by which the properly completed application must be returned to the Plan Administrator who, upon receipt, will again review the application for completeness and approval.
- (D) Failure of the Eligible Employee or Employee-Participant (as applicable) to return an application, completed to the sole satisfaction of the Plan Administrator, by the applicable date (plus any extensions) established by the Plan or the Plan Administrator, shall result in the Eligible Employee or Employee-Participant (as applicable) not being deemed to have made Timely Application.

1.59 **“Total Disability” or “Totally Disabled”.** The physical state of a Participant or Eligible Dependent resulting from an Illness or Injury which wholly prevents

- (A) the Participant, from engaging in any and every business or occupation and from performing any and all work for compensation or profit; and/or
- (B) an Eligible Dependent, from performing the normal day-to-day living

activities of a person of like age and sex in good health; provided, however, the Eligible Dependent is not institutionalized and resides with the Participant at the Participant's residence,

as determined by the Plan Administrator in its sole discretion based on Documentation satisfactory to the Plan Administrator. Subsequent to an initial determination of the Plan Administrator that a Participant or Eligible Dependent is Totally Disabled, the Plan Administrator shall have the right to reasonably request, at any time, updated Documentation relating to the Eligible Dependent's or Participant's condition for the purpose of determining whether the Participant or Eligible Dependent continues to be Totally Disabled. If, after reviewing the updated Documentation the Plan Administrator, in its sole opinion, determines that the Eligible Dependent or Participant is no longer Totally Disabled, the Eligible Dependent or Participant shall lose Total Disability status on the last day of the month following the date such determination made by the Plan Administrator.

This definition is separate and distinct from the definition of "Total Disability for Social Security Purposes" described under Section 5.01(F), hereinbelow.

ARTICLE 2.0

ELIGIBILITY AND PARTICIPATION

2.01 **Participation Requirements for Eligible Employees.**

An Eligible Employee who has been Actively at Work more than twenty (20) hours per week over a period of four (4) consecutive weeks and who has made Timely Application, shall become an Employee-Participant at 12:01 a.m., local time on the thirty-first (31st) calendar day following that Eligible Employee's meeting the foregoing 'Actively at Work' requirement.

2.01.1 **Timely Application Not Made: Eligible Employee or Employee-Participant.**

In the event an Eligible Employee or (in the case of a mandatory re-enrollment required by the Plan Administrator) an Employee-Participant:

- (A) meets the 'Actively at Work' requirement described in Section 2.01; and
- (B) does not make Timely Application; or
- (C) does not waive participation in the Plan,

the Plan Administrator shall, as soon as administratively possible, and in its sole discretion, enroll that Eligible Employee or Employee-Participant in, and the Eligible Employee or Employee-Participant shall become an Employee-Participant in the lowest-cost dental insurance coverage sponsored by the Plan Sponsor.

Following such enrollment by the Plan Administrator, the Employee-Participant shall be permitted to elect a different coverage option during the Open-Enrollment Period coincident with or immediately following his enrollment by the Plan Administrator.

2.02 **Participation Requirements for Eligible Dependents.**

- (A) An Eligible Dependent who is a Newborn shall become a Dependent-Participant at the moment of birth, following Timely Application by the Employee-Participant.

- (B) An Eligible Dependent who is a newly-adopted Child shall become a Dependent-Participant from the moment the Child's adoption is finalized by the court, following Timely Application by the Employee-Participant.
- (C) An Eligible Dependent who is a Child for whom the Employee-Participant is the court-ordered guardian or court-ordered custodian shall become a Dependent-Participant at the time the guardianship or custody arrangement becomes effective, following Timely Application by the Employee-Participant.
- (D) An Eligible Dependent who is an 'alternate recipient' under a Qualified Medical Child Support Order shall become a Dependent-Participant at the time specified in the order.
- (E) An Eligible Dependent who is a Spouse shall become a Dependent-Participant from the date of marriage or satisfaction of the domestic partnership requirements described in Section 1.62.2, hereof, following Timely Application by the Eligible Employee or Employee-Participant provided, however, that as a further condition of Plan participation, the Spouse must at all times reside in the Eligible Employee's or Employee-Participant's household.

2.02.1 Waiver of Participation or Failure of Timely Application For Eligible Dependent or Dependent-Participant.

- (A) In the event the Employee-Participant does not make Timely Application for his Eligible Dependent upon initially meeting the Plan's participation requirements, the Employee-Participant shall not be permitted to enroll such Eligible Dependent in the Plan until the immediately following Open-Enrollment Period.
- (B) In the event of a mandatory re-enrollment required by the Plan Administrator the Employee-Participant fails to make Timely Application for the re-enrollment of his Dependent-Participant, the Dependent-Participant's participation in the Plan shall be terminated as of the March 1 immediately following the mandatory re-enrollment period and the Employee-Participant shall be prohibited from re-enrolling the Dependent-Participant until the immediately following Open-Enrollment Period.

2.02.2 Participation Requirements for Eligible Dependents Losing Coverage Under Other Coverage; Eligible Dependents Acquired After Initial or Open Enrollment.

An Employee-Participant:

- (A) whose Eligible Dependent (other than a Spouse) lost 'primary' Other Coverage or,
- (B) who added a new Eligible Dependent through marriage, birth, adoption or placement for adoption,

shall cause the Eligible Dependent to become a Dependent-Participant as of the date of the Eligible Dependent's loss of such Other Coverage or the date the Eligible Dependent is added to the Employee-Participant's Family, after making Timely Application for that Eligible Dependent. Failure of the Employee-Participant to make Timely Application on behalf of the Eligible Dependent described in Section 2.02(A) or (B), above, will render that Eligible Dependent ineligible for Plan participation until the next Open-Enrollment Period.

2.02.3 Spousal Retiree Coverage.

In the event the retired Spouse of an Employee-Participant has and loses retiree dental insurance coverage for any reason the Employee-Participant shall be required to report such loss of coverage to the Plan Administrator no later than thirty-one (31) days following such loss of coverage. Failure of the Employee-Participant to report such loss of coverage will result in the retired Spouse being ineligible to enroll for 'primary' coverage under this Plan or in any other dental insurance plan or program sponsored by the Plan Sponsor until the next Open Enrollment Period.

2.02.4 Failure to Properly Enroll Spouse; Dependent-Participant Spouse Separated; Recovery of Amounts Expended for Separated Spouse.

- (A) An Employee-Participant who fails or failed to properly enroll his Spouse in the Plan shall be responsible for any and all claims and costs incurred by and for that Spouse under the Plan. The Plan Administrator shall exercise all rights of recovery for any and all amounts expended by the Plan during the time the Spouse was not properly enrolled in the Plan.
- (B) A Spouse who incurred claims or costs under the Plan as a Dependent-Participant, but who was Separated from the Employee-Participant at the time such claims or costs were incurred, shall be responsible for any and all such claims and costs.

The Plan Administrator shall exercise all rights of recovery for any and all amounts expended by the Plan during a period of time when such Spouse was Separated from the Employee-Participant.

2.03 Waiver of Coverage and Subsequent Loss of Other Coverage.

An Eligible Employee:

- (A) who waived, in writing, Plan participation for himself and/or his Eligible Dependent(s) upon attaining initial eligibility for participation in the Plan; and
- (B) whose written waiver stated Plan participation was declined because the Eligible Employee and/or Eligible Dependent had obtained Other Coverage on a 'primary' basis; and
- (C) who subsequently loses the Other Coverage for himself and/or his Eligible Dependent(s);

shall, following Timely Application, become a Participant, along with his Eligible Dependent(s) at 12:01 a.m.(local time) on the day after the Other Coverage was lost, PROVIDED, however, that the Eligible Employee and/or any Eligible Dependent:

- (D) was (were) under the Other Coverage's Consolidated Omnibus Budget Reconciliation Act continuation coverage and such continuation coverage was exhausted; or
- (E) was (were) not under such Consolidated Omnibus Budget Reconciliation Act continuation coverage and the Other Coverage was terminated as a result of:
 - (1) loss of eligibility; or
 - (2) employer contributions toward such Other Coverage were terminated.

Notwithstanding anything in this Section 2.03 to the contrary, an Eligible Employee and/or Eligible Dependent who lost the Other Coverage due to nonpayment of premium(s) or for 'cause' (e.g., filing fraudulent claims) shall not be permitted to enroll in the Plan pursuant to this Section 2.03 and shall, instead, be required to satisfy the requirements of Section 2.01 and (if applicable) Section 2.02, hereof.

2.04. **Maintenance of Participant Status; Loss of Plan Coverage.**

(A) **Maintenance of Participant Status.**

An Employee-Participant hired prior to March 1, 2001 shall maintain coverage under this Plan for himself and his Dependent-Participant(s) for any month or any portion of the month in which the Employee-Participant is in Active Pay Status or Active Work Status. Failure of the Employee-Participant to meet the immediately foregoing 'Active Pay Status' or 'Active Work Status' requirement shall result in the loss of Plan coverage, for the Employee-Participant and any Dependent-Participant, at the end of the last day of the month in which the requirement is not satisfied unless otherwise provided herein.

An Employee-Participant hired on or after March 1, 2001 shall maintain coverage under this Plan for himself and his Dependent-Participant(s) provided the Employee-Participant is in Active Pay Status or Active Work Status for a minimum of 80 hours during a calendar month. Failure of the Employee-Participant to meet the immediately foregoing 'Active Pay Status' or 'Active Work Status' requirement shall result in the loss of Plan coverage for the Employee-Participant and any Dependent-Participant and/or Spouse at the end of the last day of the month in which the requirement is not satisfied, unless otherwise provided herein.

(B) **Spouse's Loss of Coverage Due to Divorce, Annulment, Dissolution, Separation, Legal Separation, Termination of Domestic Partnership; Last Day of Plan Coverage; Employee-Participant Duty to Notify Plan Administrator.**

Notwithstanding anything in this Section 2.04 to the contrary, Plan coverage (except for COBRA coverage, as applicable) for a Spouse who is a Dependent-Participant shall cease on the day the Spouse's divorce, annulment of marriage, dissolution of marriage, Separation, Legal Separation from, or termination of domestic partnership with, the Eligible Employee or Employee-Participant becomes 'final'. For purposes of this Section 2.04, a:

- (1) Separation is 'final' on the date the Plan Administrator, in its sole discretion, has determined that the Employee-Participant and their Spouse no longer cohabitate.
- (2) Divorce, annulment of marriage, dissolution of marriage or Legal Separation is 'final' on the date the court's order or decree relating to the divorce, annulment of marriage, dissolution of marriage or Legal Separation is journalized by the court.

- (3) Termination of a domestic partnership is 'final' on the date a 'Notice of Termination of Domestic Partnership' is filed with the City of Toledo, Ohio in accordance with Toledo Municipal Code Section 114.05 or the Plan Administrator receives written notice of the termination of the domestic partnership.

The Employee-Participant who is a party to the Spouse's divorce, annulment of marriage, dissolution of marriage, Separation, Legal Separation or termination of domestic partnership is required to immediately notify the Plan Administrator of the occurrence of any of the events described in this paragraph (B).

(C) **Loss of Coverage Due to Employee-Participant's Termination of Employment, Retirement, Death, Military Service, Plan Termination and Last Day of Coverage; Special Rules for Employee-Participants on Workers' Compensation Leave of Absence.**

- (1) Except as otherwise provided, an Employee-Participant shall lose Plan coverage for himself and any Dependent-Participant at midnight of the last day of the month in which the Employee-Participant's employment with an Employer is terminated.
- (2) Except as otherwise provided, an Employee-Participant who retires from an Employer shall lose Plan coverage for himself and any Dependent-Participant on the date that Employee-Participant becomes eligible for benefits under the Ohio Public Employees Retirement System.
- (3) Except as otherwise provided, an Employee-Participant shall lose Plan coverage for himself on the date of his death. Plan coverage for Dependent-Participants of the deceased Employee-Participant shall continue through the last day of the month in which the Employee-Participant died.
- (4) Except as otherwise provided under Section 2.11 hereinbelow, an Employee-Participant shall lose Plan coverage for himself and any Dependent-Participant on the date the Employee-Participant enters active United States military service.
- (5) Coverage for all Employee-Participants and their Dependent-Participants shall cease on the date the Plan is terminated.

(D) **Loss of Coverage Due to Strike.**

Pursuant to Ohio Revised Code Section 4117.15(C), no Employee-Participant (along with any Dependent-Participant) shall be entitled to

Lucas County-paid employee benefits (including Employer-paid coverage under this Plan) for the period during which the Employee-Participant is engaged in any strike against his Employer.

If eligible for COBRA coverage, a striking Employee-Participant will be offered COBRA coverage in accordance with Article 6.0, herein. In the event the striking Employee-Participant returns to Active Work Status after having paid a COBRA premium while on strike, that Employee-Participant will be reimbursed a pro-rata portion of the paid COBRA premium for the portion of the month the Employee-Participant was not on strike PROVIDED the Employee-Participant meets the requirements of Section 2.04(A).

(E) Special Rules Regarding Employees and Worker's Compensation

(1) Special Rule for Employee-Participants Placed on Worker's Compensation before March 1, 2011.

An Employee-Participant who is no longer Actively at Work because he has been placed on a worker's compensation leave of absence from an Employer commencing before March 1, 2011 shall retain Plan coverage for himself and any Dependent-Participant(s) for a period of up to two (2) years following the commencement of such leave of absence.

(2) Special Rule for Employee-Participants Placed on Worker's Compensation On and After March 1, 2011

An Employee-Participant who is no longer Actively at Work because he has been placed on a worker's compensation leave of absence from an Employer on or after March 1, 2011 shall retain Plan coverage for himself and any Dependent-Participants for a period of up to twelve (12) months following the commencement of such leave of absence.

(3) Duration of Coverage for Employee-Participant on Worker's Compensation.

The two (2) year period [twelve (12) month period on and after March 1, 2011] of Employer-paid Plan coverage described in Section 2.04(C)(1) and (2) is a "lifetime" limit that applies per Employee-Participant without regard to:

- (a) the number of Employers he is or may have been employed by; or

- (b) the number of times he may have been on a worker's compensation leave of absence from an Employer (subject to the limitations of paragraph (4), below).

That is, prior to March 1, 2011, a Participant is "credited" with two (2) years of Employer-paid Plan coverage that may be received during workers' compensation leaves of absence from an Employer [on and after March 1, 2011, the two (2) year period is reduced to become twelve (12) months of Employer-paid Plan coverage]. The two (2) year or twelve (12) month period (as applicable) is reduced by number of days during which Employer-paid Plan coverage was provided to the Employee-Participant during any and all workers' compensation leaves of absence from an Employer .

(4) **Workers' Compensation Leave of Absence and Employer-Paid Coverage Commencing Before March 1, 2011 and Ending After March 1, 2011; Employer-paid Coverage Offset.**

An Employee-Participant whose workers' compensation leave of absence from an Employer and Employer-paid Plan coverage begins prior to March 1, 2011 and continues beyond that date shall be eligible for Employer-paid Plan coverage during such leave of absence up to the two (2) year limit described under Section 2.04(C)(1), above, notwithstanding the reduction in the duration of the Employer-paid coverage period effective March 1, 2011.

An Employee-Participant:

- (a) whose worker's compensation leave of absence from an Employer and Employer-paid Plan coverage commenced prior to March 1, 2011 and ended after March 1, 2011 ("original leave of absence"); and
- (b) who, subsequent to the end of the "original leave of absence" described in the immediately preceding paragraph (a), is placed on a new worker's compensation leave of absence from an Employer,

shall be eligible for twelve (12) months of Employer-paid Plan coverage, as described under Section 2.04(C)(2); provided, however, that such twelve (12) month period of coverage shall be reduced by the number of days Employer-paid Plan coverage was provided to the Employee-Participant under the "original leave of absence" for the period of time on and after March 1, 2011.

(F) Loss of Coverage by a Child

- (1) Plan coverage for a Dependent-Participant who is a Child defined under Section 1.10(A), (B) or (C) will terminate the end of the month in which that Dependent-Participant reaches age 26; however, such termination of coverage may be extended to the end of the month in which that Dependent-Participant reaches age 28 under certain circumstances, provided Timely Application is made to the Plan Administrator by the Employee and any Documentation required by the Plan Administrator is timely submitted.
 - (a) Notwithstanding anything in the immediately foregoing paragraph (F)(1), a Dependent-Participant who is a Child defined under Section 1.10(A), (B) or (C) who has been determined to be Totally Disabled may have coverage extended beyond age 26 or age 28 (whichever is applicable) upon Timely Application and timely submission of any Documentation required by the Plan Administrator. Such an extension shall continue until the earlier of the date of the Dependent-Participant's death, the date the Dependent-Participant no longer resides at the Employee-Participant's residence or the last day of the month in which the Plan Administrator has determined that the Dependent-Participant is no longer Totally Disabled.
- (2) Plan coverage for a Dependent-Participant who is a Child defined under Section 1.10(D), hereinabove, will terminate at the end of the month in which such Dependent-Participant reaches the State of Ohio's age of majority, unless otherwise provided elsewhere in this Plan document.

2.05 Loss of Participant Status and Subsequent Eligibility.

An Employee-Participant who:

- (A) loses Employee-Participant status;
- (B) has not elected COBRA coverage; and
- (C) has had thirty (30) days or less elapse before resuming Active Work Status

shall again become an Employee-Participant immediately upon resuming Active Work Status.

An Employee-Participant who has met the conditions of Sections 2.05(A) and (B), but who has had MORE THAN thirty (30) days elapse before resuming Active Work Status shall be treated as a new Eligible Employee and shall be required to meet the requirements of Section 2.01, hereof.

2.05.1 Special Rule for Employees Receiving OPERS Disability Retirement Benefits

In the event an Employee-Participant:

- (A) becomes Disability Separated; and
- (B) loses Employee-Participant status; and
- (C) qualifies for disability retirement health benefits from the Ohio Public Employees' Retirement System ("OPERS"); and
- (D) has his OPERS disability retirement health benefits terminated by OPERS on or before the fifth (5th) anniversary of the date his Disability Separation became effective, and
- (E) resumes Actively at Work status,

then, upon resuming Actively at Work Status, that former Employee-Participant shall be treated as an Eligible Employee who shall again become an Employee-Participant on the day after his OPERS disability retirement health benefits ended upon making Timely Application provided:

- (F) (in the case of an Eligible Employee whose initial date of hire was before March 1, 2001) the Eligible Employee was Actively at Work for any portion of calendar month in which he resumed employment; or
- (G) (in the case of an Eligible Employee whose initial date of hire was on or after March 1, 2001) the Eligible Employee was Actively at Work for an average of twenty (20) hours per week or eighty (80) hours total during the thirty-one (31) consecutive day period commencing with the day he resumes Actively at Work status.

2.06 Plan Contributions and Participation.

The Plan Administrator may require a contribution from or on behalf of a Participant in order to maintain participation in the Plan. An Eligible Employee

will be advised of any contributions required for him and/or any Eligible Dependent at the time application for Plan participation is made. Participants in the Plan will be notified by the Plan Administrator prior to an increase in any required contribution amount.

2.06.1 Contributions/Premiums Paid Through Section 125 Plan.

Any and all contributions or premiums required for Plan participation shall be paid through payroll deduction made to the Lucas County Flexible Benefits Plan, as amended and restated effective March 1, 2008, unless the Plan Administrator is notified in writing by the Eligible Employee or Employee-Participant that an alternate method of payment is requested and the Plan Administrator agrees, in writing, to the alternate method of payment.

2.07 Failure of Spouse or Eligible Dependent to Enroll in 'Primary' Coverage in Employer's Plan; Incentives to Decline Coverage.

A Spouse who:

- (A) is employed by an employer other than an Employer, and
- (B) is eligible for 'primary' dental coverage in their employer's dental insurance plan or program; and
- (C) declines or drops such coverage because he elected a different benefit, or accepted a cash payment, in lieu of such coverage (regardless of any premium or contribution required by the employer for participation)

shall not be eligible to participate in the Plan.

Under no circumstances shall the Plan pay any bills for any dental expenses incurred by a Spouse, Eligible Dependent or Dependent-Participant who directly or indirectly accepted cash or other incentives to not enroll in another employer's medical insurance plan or program.

2.08 Employee and Spouse Both Employed by an Employer.

In the case of

- (A) an Employee and Spouse, BOTH of whom are employed by an Employer; and
- (B) EITHER of whom has their employment with their Employer terminated (whether voluntarily or involuntarily),

the Employee or Spouse who continues employment with their Employer (i.e. the 'employed individual') may request a change to Plan 'family' coverage effective as of the date the Employee or Spouse whose employment with their Employer was terminated (i.e. the 'terminated individual') lost Plan coverage. The 'terminated individual' shall become and shall be treated as, a Spouse seeking coverage under the Plan as described under 2.02.3, hereinabove.

Regardless of whether the termination of employment involves the Employee or the Spouse, the 'employed individual' is solely responsible for making Timely Application for coverage of the 'terminated individual' within 31 days of the termination of employment (plus any extensions that may have been granted by the Plan Administrator).

2.09 **Employer-Paid Coverage in the Event of Unpaid Medical Leave, Disability, Layoff.**

- (A) An Employee-Participant who:
 - (1) has exhausted his/her paid sick leave and is awarded an unpaid Authorized Medical Leave of Absence; or
 - (2) has been laid off and did not, or does not, become eligible for any other group dental insurance coverage by reason of new employment, retirement, disability retirement or social security retirement; or
 - (3) has become Disability Separated

is eligible for continued Employer-paid Plan coverage for himself and any Dependent-Participant for up to twelve (12) months following the otherwise-scheduled expiration of such coverage provided that Employee-Participant has been in Active Pay Status during the twelve (12) consecutive month period immediately preceding the effective date of the unpaid Authorized Medical Leave of Absence, layoff or Disability Separation.

2.09.1 Twelve (12) Month Period of Coverage is Lifetime Limit.

The twelve (12) month period of Employer-paid Plan coverage described in Section 2.09 is a “lifetime” limit that applies per Employee-Participant without regard to:

- (A) the number of Employers he is or may have been employed by; or
- (B) the number of times he may have been awarded an Authorized Medical Leave of Absence or Disability Separation, or was laid off.

That is, upon becoming a Participant, each Employee-Participant is “credited” with twelve (12) months of Employer-Paid Plan coverage that may be provided under Section 2.09. The twelve (12) month period is reduced by each period of time Plan coverage was provided to the Employee-Participant pursuant to Section 2.09.

Notwithstanding anything in the immediately foregoing paragraph to the contrary, nothing in this Section 2.09.1 shall limit, or be interpreted as limiting, an Employee’s right to continued benefits under the Family Medical Leave Act. Additional coverage beyond the twelve (12) month period of Employer-paid Plan coverage shall be provided if and as required under the Family Medical Leave Act.

2.09.1.1 Maximum Amount of Employer-Paid Plan Coverage

- (A) The twelve (12) month period of Employer-paid Plan coverage described in Section 2.09 shall be reduced by periods of Employer-paid coverage (not to exceed a total of six (6) months) provided under the provision entitled "Extended Disability and Lay-Off" under the Lucas County Employee Health Benefit Plan (Revised March 1, 2007) as it existed prior to the Effective Date of this Plan (the "prior plan").
- (B) In the event an Employee-Participant was receiving Employer-paid Plan coverage under the "Extended Disability and Lay-Off" provision of the "prior plan" and such coverage continued beyond the Effective Date, the Employee-Participant shall be entitled to a maximum of six (6) months of Employer-paid Plan coverage from

the date such coverage began under the "prior plan" (i.e. the fact that the Employee-Participant's continuous period of disability or layoff began prior to the Effective Date of the Plan and continued after the Effective Date of the Plan would not entitle that Employee-Participant to a maximum additional six (6) months of Employer-paid Plan coverage). However, if:

- (1) the Employee-Participant's Authorized Leave of Absence, Disability Separation or layoff began prior to March 1, 2011; and
- (2) the Employee-Participant's Authorized Leave of Absence, Disability Separation or layoff ended on or after March 1, 2011; and
- (3) the Employee-Participant was Actively at Work after the end of his Authorized Leave of Absence, Disability Separation or layoff; and
- (4) the Employee-Participant subsequently incurred a new Authorized Leave of Absence, Disability Separation, or layoff

that Employee-Participant shall be entitled to twelve (12) months of Employer-paid Plan coverage LESS the amount of time he received Employer-paid Plan coverage for Authorized Leave of Absences, Disability Separations or layoffs that began and ended before March 1, 2011 and/or that began prior to March 1, 2011 and ended after March 1, 2011.

2.09.2 COBRA Coverage After Exhaustion of Employer-Paid Coverage.

An Employee-Participant who has exhausted the twelve (12) month period of Employer-paid coverage described in Section 2.09 shall be eligible for COBRA coverage as described under Article 5.0, herein.

2.09.3 Plan Administrator's Disagreement With Award of Authorized Medical Leave of Absence and/or Disability Separation and Right to Require Independent Examination of Employee-Participant.

The Plan Administrator shall have the right to challenge the award

of an Authorized Medical Leave of Absence or Disability Separation for purposes of an Employee-Participant seeking the Employer-paid coverage described in Section 2.09. In challenging the award of an Authorized Medical Leave of Absence or Disability Separation, the Plan Administrator shall have the right to require that the Employee-Participant be examined by an independent medical examiner of the Plan Administrator's choosing, at the expense of the Plan Administrator, for the purpose of determining whether, for Plan purposes and in the Plan Administrator's sole opinion, the Authorized Medical Leave of Absence or Disability Separation is warranted by the Employee-Participant's medical condition(s). Failure of the Employee-Participant to submit to the independent medical examination required by the Plan Administrator shall result in a denial of the additional Employer-paid coverage to the Employee-Participant and his Dependent-Participant.

Each Employee-Participant is deemed, through his participation in the Plan, to authorize the Plan Administrator to review the results of the independent medical examination. If, in the Plan Administrator's sole opinion, the results of the examination do not support the award of the Authorized Medical Leave of Absence or Disability Separation, the Plan Administrator may, in its sole discretion, deny the twelve (12) month Employer-paid coverage. The Plan Administrator's decision shall be final and binding.

2.10 Family and Medical Leave Act ('FMLA').

All provisions relating to Plan coverage and participation are intended to be in compliance, and shall comply, with the Family and Medical Leave Act of 1993 (FMLA). To the extent the FMLA applies to an Employer, group health benefits may be maintained during certain leaves of absence at the level and under the conditions that would have been present as if employment had not been interrupted. Employee eligibility requirements, the obligations of the Employer and Employee concerning conditions of leave, and notification and reporting requirements are specified in the FMLA. Any Plan provision that conflicts with the FMLA is superseded by the FMLA to the extent such provision conflicts with the FMLA. A Participant with questions concerning any FMLA rights and/or obligations should contact his Employer.

2.11 Military Leaves of Absence.

Employee-Participants and/or Dependent-Participants on approved military leaves will have Plan benefits provided in accordance with the Uniformed Services

Employment and Re-employment Rights Act (“USERRA”) and any policy or provisions enacted by the Plan Sponsor.

ARTICLE 3.0

SCHEDULE OF BENEFITS

3.01 Coverage Under This Plan.

Coverage provided under this Plan for Participants shall be in accordance with the provisions as stated in this Plan Document, including any coverage classification stated in the Schedule of Benefits under Section 3.02, hereinbelow.

If coverage classifications are designated on the Schedule of Benefits, any change in the amount of coverage available to a Participant occasioned by a change in the Participant’s classification shall become effective automatically on the classification change date provided by the Employer.

3.01.1 Predetermination of Proposed Treatment

ARTICLE 5.0

CONTINUATION COVERAGE UNDER COBRA

5.01 COBRA Definitions.

For purposes of this Article 5.0 and with respect to any reference to COBRA benefits throughout the Plan document, the following definitions shall apply in addition to those described in Article 1.0, "Definitions".

- (A) **"Code"**. The Internal Revenue Code of 1986, as amended.
- (B) **"Continuation Coverage"**. The Plan coverage elected by a Qualified Beneficiary following a Qualifying Event.
- (C) **"Covered Employee"**. An individual defined under 42 USC §300bb-8(2).
- (D) **"Qualified Beneficiary"**.
 - (1) An Employee-Participant whose employment terminates (other than for gross misconduct) or whose hours are reduced, rendering him/her ineligible for coverage under the Plan;
 - (2) A Dependent-Participant who becomes eligible for coverage under the Plan due to a Qualifying Event; and/or
 - (3) A Newborn or newly adopted Child of a Participant who is continuing coverage under COBRA.
- (E) **"Qualifying Event"**. Any of the following events that may permit a Qualified Beneficiary to elect Continuation Coverage:
 - (1) termination of the Qualified Beneficiary's employment with his Employer (other than for gross misconduct) or reduction in the Qualified Beneficiary's hours of employment;
 - (2) the death of a Qualified Beneficiary who was employed by an Employer;
 - (3) the divorce or Legal Separation of the Qualified Beneficiary;
 - (4) the Qualified Beneficiary who is an Employee-Participant becoming entitled to Medicare coverage; or

- (5) a Child ceasing to be Dependent-Participant.
- (F) **“Totally Disabled for Social Security Purposes” or “Total Disability for Social Security Purposes”**. A determination made by the Social Security Administration that the Participant is totally and permanently disabled under Title II or Title XVI of the Social Security Act.

5.02 **Right to Elect Continuation Coverage.**

If a Qualified Beneficiary loses coverage under the Plan due to a Qualifying Event, he may elect to continue coverage under the Plan in accordance with COBRA upon payment of the monthly premium specified from time to time by the Plan Administrator. A Qualified Beneficiary must elect the coverage by no later than the sixtieth (60th) day following the later of:

- (A) the date of the Qualifying Event triggering the right to elect Continuation Coverage; or
- (B) the date the Qualified Beneficiary was notified of his right to elect Continuation Coverage.

5.03 **Notification of Qualifying Event.**

In the event of a Qualifying Event resulting from divorce, Legal Separation or a Dependent Child’s ineligibility under the Plan, the Qualified Beneficiary must notify the Employer of the Qualifying Event within sixty (60) days of the Qualifying Event in order for coverage to continue. In addition, a Qualified Beneficiary who is Totally Disabled for Social Security Purposes must notify the Employer in accordance with Section 5.07, below, in order for Plan coverage to continue.

5.04 **Duration of Continuation Coverage.**

- (A) The maximum period of time a Qualified Beneficiary may maintain Continuation Coverage for himself (and, if applicable, any Dependent-Participants) as a result of the Qualified Beneficiary’s loss of Plan coverage due to a reduction in hours of employment or termination of employment (other than for gross misconduct) is:
 - (1) eighteen (18) months from the date of the Qualifying Event; or
 - (2) (regardless of the date of the Qualifying Event), twenty-nine (29) months from the date of the Qualifying Event if the Qualified

Beneficiary is determined to be Totally Disabled for Social Security Purposes within sixty (60) days of the Qualifying Event, PROVIDED the Qualified Beneficiary notifies the Plan Administrator of the Social Security Administration's determination of his Total Disability for Social Security Purposes before the end of the original eighteen (18) month period of Continuation Coverage and no later than sixty (60) days following the date of such determination.

- (B) A Qualified Beneficiary (other than an Employee-Participant) who loses coverage due to the Employee-Participant's death, divorce or entitlement to Medicare, and Dependent-Participant who is a Child who has become ineligible for Plan coverage, is eligible for Continuation Coverage for up to thirty-six (36) months from the date of the Qualifying Event or for such period as prescribed by the Internal Revenue Code, ERISA, and the regulations and administrative pronouncements promulgated thereunder.

5.05 **Termination of Continuation Coverage.**

Continuation Coverage will automatically end earlier than the applicable eighteen (18), twenty-nine (29) or thirty-six (36) month period for a Qualified Beneficiary provided:

- (A) the required monthly premium is not received by the Plan Administrator within thirty (30) days following the date it is due;
- (B) the Qualified Beneficiary becomes covered under any other group dental insurance plan as an employee or otherwise. If the other group dental insurance plan contains an exclusion or limitation relating to a pre-existing condition, and such exclusion or limitation applies to the Qualified Beneficiary, then the Qualified Beneficiary shall be eligible for the remaining balance of the Continuation Coverage period specified above under this Plan as long as the exclusion or limitation relating to the pre-existing condition limitation or exclusion applies to the Qualified Beneficiary;
- (C) (for a Qualified Beneficiary who is Totally Disabled for Social Security Purposes and continuing coverage for up to twenty nine (29) months) the last day of the month coinciding with or immediately following the thirtieth (30th) day following the date of a final determination by the Social Security Administration that such Qualified Beneficiary is no longer Totally Disabled for Social Security Purposes;
- (D) the Qualified Beneficiary becomes entitled to Medicare benefits; or

- (E) the Employer ceases to offer any group dental insurance plan.

5.06 **Multiple Qualifying Events.**

If a Qualified Beneficiary maintains Continuation Coverage due to a Qualifying Event for which the maximum Continuation Coverage is eighteen (18) or twenty-nine (29) months, and a second Qualifying Event occurs during the eighteen (18) or twenty-nine (29) month period, that Qualified Beneficiary may elect, in accordance with Section 6.02 hereinabove, to maintain Continuation Coverage for up to thirty-six (36) months from the date of the first Qualifying Event. In addition, if a Qualified Beneficiary who was an Employee-Participant becomes entitled to benefits under Medicare (whether or not this triggers a Qualifying Event), a Qualified Beneficiary (other than the Employee-Participant) may elect Continuation Coverage for a maximum of thirty-six (36) months from the date of the initial Qualifying Event, to the extent another period of Continuation Coverage is not required by law under COBRA.

5.07 **Total Disability for Social Security Purposes.**

- (A) In a case of a Qualified Beneficiary who is determined to be Totally Disabled for Social Security Purposes within sixty (60) days of a Qualifying Event (if the Qualifying Event is termination of employment or reduction in hours), that Qualified Beneficiary may continue coverage (including coverage for Dependent-Participants who were covered under the Continuation Coverage) for a total of twenty-nine (29) months PROVIDED the Qualified Beneficiary notifies the Plan Administrator:
 - (1) prior to the end of eighteen (18) months of Continuation Coverage that he was disabled as of the date of the Qualifying Event; and
 - (2) within sixty (60) days of the determination of Total Disability for Social Security Purposes.
- (B) The Plan Administrator will charge the Qualified Beneficiary an increased premium for Continuation Coverage extended beyond eighteen (18) months pursuant to the Section.
- (C) If during the period of extended coverage for Total Disability for Social Security Purposes (i.e. Continuation Coverage in excess of eighteen (18) months and less than or equal to twenty-nine (29) months) a Qualified Beneficiary is determined to be no longer Totally Disabled for Social Security Purposes:

- (1) The Qualified Beneficiary shall notify the Plan Administrator of this determination within thirty (30) days of the Qualified Beneficiary receiving notice of the determination; and
- (2) Continuation Coverage shall terminate the last day of the calendar month that is at least thirty (30) days after the date of the final determination under the Act that the Qualified Beneficiary is no longer Totally Disabled for Social Security Purposes.

5.08 Continuation Coverage.

The Continuation Coverage elected by a Qualified Beneficiary is subject to all of the terms, conditions, limitations and exclusions which are applicable to the group dental plan offered to similarly situated Employee-Participants and Dependent-Participants. The Continuation Coverage is also subject to the rules and regulations under COBRA. If COBRA permits Qualified Beneficiaries to add dependents for Continuation Coverage, such dependents must meet the definition of Eligible Dependent under the Plan.

5.09 Carryover of Plan Maximums.

If Continuation Coverage elected by a Qualified Beneficiary, expenses already credited to the Plan's applicable Co-payment features for the Plan Year will be carried forward into the Continuation Coverage.

Similarly, amounts applied toward any maximum payments under the Plan will also be carried forward into the Continuation Coverage. Coverage will not be continued for any benefits for which Plan maximums have been reached.

5.10 Payment of Premium.

- (A) The Plan Administrator will determine the amount of premium to be charged for Continuation Coverage for any period. Such premium will be a reasonable estimate of the cost for providing coverage for such period for similarly situated individuals, determined on an actuarial basis and considering such factors as the Secretary of Labor may prescribe.
 - (1) The Plan may require a Qualified Beneficiary to pay a premium for coverage that does not exceed 102 percent of the applicable contribution for that period.
 - (2) For Qualified Beneficiaries whose coverage is continued pursuant to Section 5.07 hereinabove, the Plan may require the Qualified

Beneficiary to pay a premium for coverage that does not exceed 150 percent of the applicable premium for Continuation Coverage in excess of eighteen (18) months but less than or equal to twenty-nine (29) months.

- (3) Premiums for coverage may, at the election of the payor, be paid in monthly installments.
- (B) If Continuation Coverage is elected, the first monthly premium for coverage must be made within forty-five (45) days of the date of election.
- (C) Without further notice from the Plan Administrator, the Qualified Beneficiary must pay the monthly premium for coverage by the first day of the month for which coverage is to be effective. If payment is not received by the Employer within thirty (30) days of the payment's due date, Continuation Coverage will terminate in accordance with Section 5.05(A) hereinabove.
- (D) No claim will be payable under this provision for any period for which the premium for coverage is not timely received from or on behalf of the Qualified Beneficiary.

5.11 **Bankruptcy Under Title XI.**

- (A) For purposes of this Section 5.11 only:
 - (1) "Qualified Beneficiary" means:
 - (a) An Employee-Participant who retired on or before the date of the Qualifying Event and who was covered as a retiree under the Plan;
 - (b) An individual who was covered under the Plan as a surviving Spouse of a deceased retiree on the day before the date of the Qualifying Event; and
 - (c) A Dependent of (a) or (b) above who was covered under the Plan on the day before the date of the Qualifying Event.
 - (2) "Qualifying Event" means the substantial elimination of coverage under the Plan within one year before or after the Employer files a petition in bankruptcy under Title XI of the United States Code.
- (B) If a Qualified Beneficiary experiences a Qualifying Event, he may elect to continue coverage under the Plan if he pays the monthly premium

specified from time to time by the Plan Administrator, and makes his election in accordance with Section 5.02, hereinabove.

- (C) Continuation Coverage elected under this Section 5.11 will automatically end earlier than the periods specified above if the required contribution for coverage is not paid on a timely basis or if the Employer ceases to offer any group health plans.

ARTICLE 7.0

COORDINATION OF BENEFITS

7.01 **Coordination of Benefits.**

This Article 7.0 is intended to prevent the duplication of benefits. It applies when a Participant is also covered by any other dental insurance plan(s). When coverage under more than one plan exists, one plan normally pays its benefits in full and the 'other plan(s)' pay a reduced benefit. The Plan will always pay its portion of Allowable Expenses that, when added to benefits payable by the 'other plan', will not exceed 100% of billed charges or this Plan's Allowable Expenses, whichever is less. Only the amount paid by this Plan will be charged against the Plan benefit maximums.

When this Plan is considered as providing 'secondary' coverage, the benefit payment for each claim submitted by a Participant is calculated by first deducting the amount paid by the 'other plan' (which is providing 'primary' coverage) from expenses determined to be Allowable Expenses under this Plan. The balance is then subject to Co-payments, Benefit Percentage amounts and other provisions as described in Section 3.02, hereinabove.

This Coordination of Benefits provision applies whether or not a claim is filed under the 'other plan'. If the 'other plan' provides benefits in the form of services rather than cash, the reasonable value of the service rendered shall be deemed the benefit paid.

The Plan Administrator and Claims Administrator may release to and obtain from any other insurer, plan or party, any information that it deems necessary for purposes of this Article 7.0. The Participant shall cooperate in obtaining such information and shall furnish all information necessary to implement the provisions of this Article 7.0.

7.01.1 **'Other Plan'.**

For purposes of this Article 7.0 only, the term 'other plan' shall mean any plan, policy or coverage (other than the Plan) providing benefits or services for or by the reason of dental care or treatment. Such plans may include, without limitation:

- (A) Group insurance or any other arrangement for coverage for Participants in a group, whether on an insured or uninsured basis;

- (B) Any coverage for students which is sponsored by, or provided through, a school or other educational institution;
- (C) Any coverage under a government program, and any coverage required or provided by statute;
- (D) Group automobile insurance;
- (E) Individual automobile insurance coverage on an automobile leased or owned by the Employer;
- (F) Individual automobile insurance coverage based upon the principles of “no fault” coverage;
- (G) Any plans or policies funded in whole or part by an employer or deductions made by an employer from an employee’s compensation or retirement benefits; or
- (H) Labor/management trustee, union welfare, employer organization or employee benefit organization plans.

7.02 Order of Payment of Claims by Plans.

With respect to claims submitted that involve the coordination of benefits, the Plan and any ‘other plan’ shall make claim payments according to the following rules of order, provided Medicare is not involved:

- (A) If the ‘other plan’ contains no provision for the coordination of benefits or states that its coverage is primary, the ‘other plan’ shall pay a submitted claim before any other plan makes any payment.
- (B) If the ‘other plan’ covers a claimant as an employee (or named insured) that ‘other plan’ will pay a submitted claim before a plan which covers the claimant as a dependent or as a recipient of continuation coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985.
- (C) If the ‘other plan’ covers a claimant as an employee’s dependent, that ‘other plan’ will pay a submitted claim before a plan which covers the claimant as a dependent of a “qualified beneficiary”, as that term is defined under the Consolidated Omnibus Budget Reconciliation Act.
- (D) Pursuant to rules established by the Ohio Department of Insurance, if the claimant is a dependent child, the plan of the parent whose birthday falls first (omitting year of birth) during the calendar year shall be deemed to provide ‘primary’ coverage and shall pay on any claims in that capacity.

The plan of the other parent shall be deemed to provide 'secondary' coverage and shall pay any claims in that capacity.

Notwithstanding the immediately preceding paragraph, if the child's parents are separated or divorced, then, the plan deemed to provide 'primary' coverage will be determined by the first of the following events to occur:

- (1) If a court decree or order makes one parent responsible for the child's dental care expenses, that parent's plan is responsible for 'primary' coverage and the other parent's plan is responsible for secondary coverage;
- (2) If a court decree or order grants joint custody or 'shared parenting of the child and does not mention dental care, then the 'birthday rule' described in the initial paragraph of this Section 7.02(D) applies; or
- (3) If neither Section 7.02(D)(1) or (D)(2) above applies, then the order for payment of claims is as follows:
 - (a) The plan of the parent with custody of the child.
 - (b) The plan of the spouse of the parent with custody of the child.
 - (c) The plan of the parent not having custody of the child.
 - (d) The plan of the spouse of the parent not having custody of the child.
- (E) If an 'other plan' does incorporate the rule described in Section 7.02(D), above, but, instead, has a rule based upon the gender of the parent, and if, as a result, the Plan and the 'other plan' do not agree on the order of the benefit payment, the Claims Administrator will determine the order of benefit payments.
- (F) A "no fault" automobile policy not described in Section 7.02(A), above, will pay last;
- (G) If the order set out in Section 7.02(A), (B), (C), (D), (E), or (F) above does not apply in a particular case, then the plan that has covered the claimant for the longest period of time will pay first.

The Plan Administrator reserves the right to:

- (H) obtain information from, or share information with, the ‘other plan(s)’ regarding Coordination of Benefits without the claimant’s consent.
- (I) require that the claimant provide information to the Plan Administrator about ‘other plans’ so that this Article 7.0 may be implemented; and
- (J) pay the amount due under the Plan to the ‘other plan’ if necessary in the Plan Administrator’s opinion, in order to satisfy the terms of this Article 7.0.

7.03 Coordination With Medicare.

With respect to

- (A) Eligible Employees who have Plan coverage by virtue of their current employment status as defined by Medicare; or
- (B) Spouses who have Plan coverage by virtue of the Eligible Employee’s employment status as defined by Medicare,

who are age sixty-five (65) or older and who are entitled to benefits under Medicare, this Plan will pay ‘primary’ benefits, unless the Eligible Employee or Spouse refuses coverage under this Plan. If such Eligible Employee or Spouse refuses coverage under this Plan, Medicare will be the sole source of benefits. Eligible Employees or Spouses who have enrolled in this Plan are deemed to have accepted coverage under this Plan until the Plan Administrator receives written notification from the Eligible Employee or Spouse stating that the Eligible Employee or Spouse refuses coverage under this Plan. Any charges which are not paid under this Plan shall be submitted to Medicare as a ‘secondary’ payor.

With respect to

- (C) Eligible Employees who have Plan coverage by virtue of their current employment status as defined in Medicare; or
- (D) Eligible Dependents who have Plan coverage by virtue of a family member’s current employment status as defined in Medicare

who are entitled to benefits under Medicare by reason of receiving Social Security Disability benefits (and who are not or would not be entitled to benefits under Medicare on the basis of ‘end stage renal disease’), this Plan will pay ‘primary’ benefits, unless the Eligible Employee or Eligible Dependent refuses coverage under this Plan. If such Eligible Employee or Eligible Dependent refuses coverage under this Plan, Medicare will be the sole source of benefits. Eligible Employees and/or Eligible Dependents who become Participants in this Plan are

deemed to have accepted coverage under this Plan until the Plan Administrator receives written notification from the Eligible Employee or Eligible Dependent stating that the Eligible Employee or Eligible Dependent refuses or waives coverage under this Plan. Any charges, which are not paid under this Plan, should be submitted to Medicare as a 'secondary' payor.

7.04 **Right of Recovery.**

Solely for purposes of this Section 7.04, the term "Participant" will include anyone acting for, or on behalf of, a Participant.

In the event the Plan has a subrogated interest or right of recovery, no Participant shall release any party, person, corporation, entity, insurance policies or funds that may be liable or obligated to that Participant for the acts or omissions of any person or entity, without the written approval of the Plan.

In the event a Participant pursues a claim against a third party or Other Coverage, the Participant agrees to include the Plan's subrogated interest and rights of recovery in that claim, and if there is a failure to do so, the Plan shall be legally presumed to be included in such claim. In the event the Participant does not pursue a claim against a third party or Other Coverage, the Plan shall have the right to pursue, sue, compromise or settle any such claims in the Participant's name and to execute any and all documents necessary to pursue said claims in the Participant's name.

Each Participant hereby agrees to reimburse the Plan, for any past, present and future benefits paid by the Plan, out of any monies recovered from any person, entity, or Other Coverage as a result of judgment, settlement or otherwise, regardless of how those monies are classified. In the event a Participant settles, recovers, or is reimbursed by any third party or Other Coverage, the Participant shall hold any such monies in trust for the benefits of the Plan and shall reimburse the Plan for any benefits so paid hereunder on a first priority basis, regardless of whether or not the Participant has been made whole. If a Participant fails to reimburse the Plan in accordance with this provision the Participant shall be liable to the Plan for any and all expenses (whether in the form of fees or costs) associated with the Plan's attempt to recover such monies from the Participant. Each Participant also agrees to execute and deliver all necessary instruments to furnish such information and assistance, and to take any action the Plan Administrator may require to facilitate enforcement of its rights. The Plan will not pay or be responsible for, without the written consent of the Plan Administrator, any fees or costs associated with a Participant pursuing a claim against a third party or any other coverage.

ARTICLE 8.0

CLAIM PROCEDURES

8.01 Notice and Proof of Claim.

Written notice of a Covered Expense must be given by the Participant or provider to the Claims Administrator, or its designee, on or in a form designated by the Claims Administrator as soon as is administratively feasible, but in no event no later than one (1) year after the date on which the Covered Expense was incurred.

The Claims Administrator or its designee shall approve, partially approve or deny a claim within the time mandated by the Ohio Revised Code. If special circumstances require more time, the Claims Administrator or its designee shall have additional time to complete its review upon notice to the Participant or provider. If a claim is denied (in whole or in part) the Claims Administrator shall provide the Participant or provider with a written notice which will specify the reason(s) for the denial or, if more information about the claim is needed, describe any additional information that may be required to make its decision. This written notice may take the form of an 'explanation of benefits' worksheet or a letter.

8.02 Appealing a Denial of a Claim

The Participant or provider whose claim has been denied in whole or in part by the Claims Administrator may appeal the denial to the Appeals Committee by written application submitted to the Appeals Committee within sixty (60) days following the date of the denial of the claim by the Claims Administrator. The Participant or provider may review pertinent documents related to the determination and submit issues and comments in writing to the Appeals Committee or its designee.

The Appeals Committee shall make a decision on the appeal within sixty (60) days of the date the written appeal is received by the Appeals Committee unless special circumstances require a sixty (60) day extension of the original sixty (60) day limit, in which case the Participant shall be notified of the extension. Within this period, the Appeals Committee or its designee shall notify the Participant and/or provider of its decision, the reasons for it, and the provisions of the Plan which form the basis of the decision. In conducting its review, the Appeals Committee or its designee may request Documentation from the Participant and/or provider and, if deemed necessary in the sole discretion of the Appeals Committee, may extend the deadline for making a decision on the appeal accordingly to allow the Participant to assemble and submit the Documentation. If the Appeals Committee or its designee fails to make a decision within the time

provided with respect to the original claim or the appeal, the claim is deemed to be denied.

8.03 Independent Medical Examination.

The Plan Administrator or its designee shall have the right and opportunity to have the Participant, whose injury or illness is the basis of a claim hereunder, examined by an independent medical examiner of the Plan Administrator's choosing when and as often as it may reasonably require during pendency of a claim. Any such examination and related expenses shall be paid for by the Plan. Each Participant is deemed, through his participation in the Plan, to authorize the Plan Administrator to review the results of the independent medical examination.

8.04 Legal Proceedings.

Unless the Participant claiming benefits shall have first exhausted his/her administrative remedies by filing proof of loss and pursuing an appeal under the terms provided in the Plan:

- (A) No action at law or in equity shall be brought to recover benefits under the Plan prior to the expiration of a sixty (60) day period (as may be extended by the Plan Administrator) following the filing of proof of loss in accordance with the claim procedures described in this Article 9.0; and
- (B) Any action at law or in equity brought to recover benefits under the Plan must be brought within one (1) year from the expiration of the time within which proof of loss is required by the Plan.

8.05 Payment of Claims.

When the Claims Administrator receives proof of loss, the Claims Administrator will pay any benefits due. Benefits that provide for periodic payment will be paid for each period, as the Plan becomes liable. The Claims Administrator or its designee will pay benefits to the Participant or provider.

All or a portion of the benefits provided by this Plan may be paid to the institution or person rendering service, unless a Participant directs the Claims Administrator otherwise in writing, and the Plan Administrator consents, prior to the time of filing proof of loss.

The Claims Administrator will not be liable for any payment made in good faith.

8.06 **Overpayments.**

If a Participant receives benefits under the Plan that exceeds those which should have been paid or that should not have been paid at all, the Claims Administrator may:

- (A) deduct the excess improper payment from any subsequent benefits payable for the Participant or
- (B) recover such amounts by any other appropriate method that the Claims Administrator shall determine.

Each Participant is deemed, through his participation in the Plan, to authorize the foregoing actions in the event of benefit overpayments.

8.07 **Facility of Payment.**

Whenever a Participant or provider to whom payments are directed to be made is determined to be mentally, physically, or legally incapable of receiving or acknowledging receipt of such payments, neither the Employer nor any fiduciary shall be under any obligation to see that a legal representative is appointed or to make payments to such legal representative if appointed. A determination of payment made in good faith shall be conclusive on all persons. The Plan Administrator or his/her designee, or any fiduciary shall not be liable to any person as the result of payment made and shall be fully discharged from all future liability with respect to a payment made.

ARTICLE 10.0

GENERAL PLAN PROVISIONS

10.01 Plan Construction.

This Plan shall be construed in accordance with applicable state and federal law.

Whenever any words are used herein in the masculine, they shall be construed as though they were in the feminine in all cases where they would so apply; and whenever any words herein are used in the singular, they shall be construed as though they were used in the plural in all cases where they would so apply.

10.02 Plan Administrator Responsibilities.

The Plan Administrator may delegate responsibilities for the operation and administration of the Plan as it, in its sole discretion, may deem necessary and/or proper. The Plan Administrator's responsibilities include those delegated to the Claims Administrator as set forth in an administration agreement and any addenda thereto.

10.03 Plan Administrator Discretion.

The Plan Administrator alone shall be the sole judge of the standards of proof required in any matter hereunder. In the application and interpretation of this Plan document, the decisions of the Plan Administrator shall be final and binding on the Participants, and all other persons and/or entities. The Plan Administrator shall have the full and exclusive power and authority, in its sole discretion, to determine all questions of coverage and eligibility for benefits, methods of providing or arranging for benefits and all other related matters. The Plan Administrator shall have the full power and authority, in its sole discretion, to construe and interpret the provisions and terms of this Plan document and all other written documents. Any such determination and any such construction adopted by the Plan Administrator in good faith shall be binding upon all the parties hereto and the beneficiaries thereof.

10.04 Participant Obligations.

The coverage provided to a Participant by the Plan shall be at least partially funded by the Employer. If an Employee-Participant elects to enroll an Eligible Dependent in the Plan, the Employee-Participant may be responsible for payment of all or portion of the Eligible Dependent's contributions suitable to cover such

enrollment. The Employer shall deduct such costs on a regular basis from the Employee-Participant's wages or salary.

10.05 Failure to Enforce.

Failure of the Plan Sponsor or Plan Administrator or their designate(s) to enforce any provisions of this Plan does not constitute a waiver or otherwise affect the Plan Administrator's right to enforce such a provision at another time, nor will such failure affect the right to enforce any other provision.

10.06 Statements.

In the absence of fraud, all statements made by a Participant will be deemed representations and not warranties. No such representation will void the Plan benefits. No such representation may be used in defense of a claim under the Plan unless a copy of the instrument containing such representation is or has been furnished to the Participant.

No assignment of a Participant's interest hereunder shall be binding on the Plan Sponsor. The terms of this Plan shall not be waived or changed except as provided in Section 10.07, hereinabove.

10.09 Plan Is Not A Contract.

The establishment and maintenance of this Plan shall not be construed as conferring, and does not confer, any legal rights on any Employee to be

continued in the employ of the Employer nor shall this Plan interfere in any way with the right of the Employer to discharge any employee.

This Plan document shall not give Participants any claim, right, action or cause of action against the Plan for acts or omissions of any provider which renders services to Participants. The Plan Administrator does not furnish services but will pay for Covered Expenses incurred for services rendered by providers to Participants.

10.10 Records.

By accepting coverage under this Plan, a Participant agrees that all information and records concerning diagnosis and treatment of any condition for which coverage is provided will be available to the Plan Administrator or its designee and its designated Claims Administrator for purposes of determining liability and/or for statistical analysis.
